

# **ECO CLUB REPORT – 2026**

Name of the Institution: [Loyola College of Arts & Science]

Academic Year: 2025–2026

Eco Club In-charge: **P.Murugesan**

## **Introduction**

The Eco Club of our institution actively worked during the academic year 2025–2026 to promote environmental awareness and sustainable practices among students. The club aimed to develop eco-friendly habits and encourage responsibility towards nature.

## **Objectives**

To create awareness about environmental protection

To promote cleanliness and hygiene

To encourage tree plantation and conservation

To reduce plastic usage

To develop eco-friendly practices among students

## **Activities Conducted**

### **1. Tree Plantation Drive**

A tree plantation program was organized in the campus and nearby areas. Students actively participated and planted saplings to increase green cover.

### **2. World Environment Day Celebration (June 5, 2025)**

Various activities like speech competitions, poster presentations, and rallies were conducted to create awareness about environmental issues.

### **3. Plastic-Free Campaign**

Students were encouraged to avoid single-use plastics. Cloth bags were distributed and awareness programs were conducted.

### **4. Campus Cleaning Program**

Cleanliness drives were conducted regularly to maintain a hygienic campus environment.

### **5. Water Conservation Awareness**

Seminars and awareness programs were organized to highlight the importance of saving water.

## **6. Recycling Activities**

Students participated in making useful items from waste materials, promoting the concept of “Reduce, Reuse, Recycle.”

Achievements

Increased student participation in eco-friendly activities

Improved cleanliness and greenery on campus

Reduction in plastic usage within the campus

## **Conclusion**

The Eco Club successfully carried out various activities during the year 2025–2026. It helped students understand the importance of protecting the environment. The club will continue to work towards building a sustainable future.
