He completed his undergraduate studies in Computer Science at Raja Doraisingam Government Arts College, Sivagangai, affiliated with Alagappa University, graduating in 2019. He then continued at the same institution to pursue his postgraduate degree in Computer Science, which he completed in 2021 with an exceptional academic record, securing the Alagappa University 3rd Rank with a 92% score. Furthering his research acumen, he obtained his M.Phil. degree in Computer Science from the same college in 2023. In June 2024, he successfully cleared the prestigious UGC NET examination in Computer Science.

As a passionate educator with strong problem-solving skills, he excels at breaking down complex computing theories and analytical concepts into engaging, accessible lessons for his students. His primary areas of academic interest and research include Artificial Intelligence, Data Science, and Neural Networks, fields in which he actively guides students toward innovative technological solutions.

His professional career began in December 2024 at Muthayammal Memorial College of Arts and Science, Kakkaveri, Rasipuram, where he served as an Assistant Professor until April 2026. Since June 2026, he has been working as an Assistant Professor at Loyola College of Arts and Science, Mettala, where he continues to leverage his core technical expertise to foster critical thinking and research interest in the next generation of computer science professionals.
