

He is a distinguished academician and administrator, currently serving as the Vice Principal of Administration at Loyola College of Arts & Science, Mettala, Namakkal, Tamil Nadu. With a strong background in Coordination Chemistry, he has significantly contributed to research, teaching, and institutional development. He holds a Ph.D. in Chemistry from St. Joseph's College, Tiruchirappalli, under Bharathidasan University, and has previously worked as the Head of the Department of Chemistry at Loyola College. His dedication to education and research has been recognized with multiple awards and publications. Dr. Sharma also possesses professional qualifications in Education (M.Ed., M.Phil.), Computer Applications (PGDCA), and extensive expertise in analytical chemistry techniques. He act as a Vice Principal of Administration, Loyola College of Arts and Science, Mettala (Since June 2022) and also held various positions like Head of the Department of Chemistry, Loyola College of Arts and Science, Mettala (June 2016 - June 2021), Coordinator of Environmental Club, Loyola College of Arts and Science (June 2016 - June 2022), Research Experience at St. Joseph's College, Tiruchirappalli (2012 - 2016). He has published multiple research papers in prestigious journals such as International Journal of Pharmaceutical Sciences and Research, International Journal of ChemTech Research, Journal of Emerging Technologies and Innovative Research, and others. His Areas of research is Synthesis and characterization of metal complexes, electrochemical investigations, and macrocyclic ligand studies. Dr. Sharma has published eight books in Chemistry and English. He has secured Best Teacher Award - Loyola College of Arts and Science (2018-2019), Best Researcher Award - VDGGOOD Technology Factory (2021). Dr. L. Rakesh Sharma continues to make impactful contributions to higher education, research, and institutional leadership, shaping the academic and scientific landscape through his expertise and dedication.
