Josephine Daisy, Principal of the college, delivered the Felicitation Address, appreciating the initiative and encouraging students to actively participate in WEC programs.

One of the special highlights of the event was the Wearing of Sashes, symbolizing the official responsibilities assigned to the newly appointed office bearers of the Women Empowerment Cell:

This was followed by a formal Introduction of the Chief Guest by Ms. Kiruba (III B.Com (A/F)), who highlighted Dr. Grisha's academic achievements, teaching experience and her valuable contributions in the field of psychology.

The most awaited part of the event was the Chief Guest Address by Dr. Grisha A.L, who spoke on the theme of psychological well-being and the empowerment of young women. She began the session with an engaging activity that encouraged student participation and interaction. Emphasizing the importance of self-confidence, she urged the students to "stand for yourself" and reminded them that education is not just about academics, but about coming out, speaking up, and proving oneself. She inspired the audience to overcome hurdles through personal growth, to develop themselves professionally, and to embrace self-love, emotional awareness, and menstrual hygiene as essential aspects of well-being. Her insightful and motivational message deeply resonated with the audience, leaving a lasting impact.
